After this, the Hon'ble VC Prof. S.C. Tiwari welcomed the speakers & participants, the first keynote speaker, Prof. C.S. Barla began his lecture and highlighted some important points in the context of Self-Reliant, India, which are- Reduction in aggregate demand, MSP, Integrated Package, Relevance of MSME's, employment Creation etc.

The second speaker, Prof. H.C. Purohit spoke about the 5 pillars & 4 'L' in the context of Relf-Reliant India and discussed about Vietnam Model, Operation Green etc.

After the lecture ended, the Hon'ble Chancellor gave the presedential address and shared his experience.

In order of thanks given by the Mr. R.L. Vishwakarma, Registrar, NGB(DU), discussed the keypoints of lectures and thanked everyone for participation.

Recommendation:

- Present problem has forced country to re-evaluate its current dependency and make fair calculations about their local potential.
- Modernising the agriculture sections.
- Boost the rural economy.
- Migrant labourers should be provided employment in village.
