THEME

In the presently developing competitive global economy, intellectual properties by way of copyrights, industrial designs, patents, trade marks, internet domain names and semiconductor layout designs along with their regulatory frameworks are new ventures of innovations of every industry, researcher, R&D lab, institute of higher education and research, and the individuals of any country. Their role in any product manufacturing or any service providing organization is of paramount importance to secure future prospects gainfully first within the country and then globally.

In wake of this, Faculty of Engineering & Technology (SGIET) of Nehru Gram Bharati Vishwavidyalaya (NGBV) supported by IPR Division, Ministry of Electronics and Information Technology (MeitY), Govt. of India, New Delhi is organizing a two days National Seminar on IPR Awareness during 10AM to 5PM on Nov 3rd followed by Hands on IPR internet search on Nov 4th, 2016 at its Conference Hall, Research Centre and Administrative Building, Jhuthi Taali, Kotwa, Allahabad.

Who can participate?

Seminar is primarily for industry persons, faculty members, Ph.D. students and the students of Engineering, Law etc. of any institute/University of higher education.
