Nehru Gram Bharati Vishwavidyalaya
Kotwa - Jamunpur - Dubawal, Allahabad (U.P.)
(Deemed to be University U/s - 3 of UGC Act 1956)

CRET-2016
Combined Research Entrance Test
Research Scholar Meet

Gram Pravas
Nehrujji laying the foundation stone of Nehru Gram Bharati in village Dubawal on 26th July 1962

Nehru Gram Bharati Vishwavidyalaya came into existence as the first rural University of U.P. State and probably one of a few in rural area based Institutes of higher learning in India. It enjoys recognition as a 'deemed to be' University, recognized by the Union Ministry of Human Resource Development U/s 3 of UGC Act, 1956 vide Notification No. F.9-42/2005-43 (A), dated June 27, 2008.

More than 5000 students study in the University pursuing different courses in different fields. We have more than 70 acres of land, spruced computer labs with internet facility & approx 35,000 books in fully digitalised library. Regular university Bus service, operates in and around Allahabad and adjoining areas. We also have several memorandums of understanding with different Institutions & Universities from India and abroad. All Courses are duly approved by statutory bodies like AICTE, BCI, RCI, NCTE and UGC.

It was basically conceived by the 1st Prime Minister of India, Late Pt. Jawahar Lal Nehru who laid the foundation stone of Nehru Gram Bharati on 26th July, 1962 in the village Jamunpur near Kotwa-Dubawal of his Phulpur Parliamentary Constituency in Allahabad district. His dream was translated into reality by Shri. J. N. Misra, a former bureaucrat turned social thinker and philanthropist, who had the vision and dedication for upliftment of rural masses through education.

From the Desk of

Chancellor

J. N. Misra
Chancellor,
Nehru Gram Bharati Vishwavidyalaya
Kotwa-Jamunipur-Dubawal,
Allahabad.

With our best wishes and affection we extend hearty welcome to our fresh entrants for 2016-17 sessions. All-round positive response among students especially from rural backward and physically handicapped sectors is our strength. Our earnest endeavour is to provide the very best to them. Our solemn resolve is to train them to serve our villages and ameliorate their position.

Our University is on a global link with a number of collaboration with Nagoya-Japan, Oxford England and others in the offing.

With 32 Departments covering almost every section including Law, Teachers Training, Engineering, Management and Computer Science, we are seriously working hard to popularize ourselves in these branches assured of placement and bright future.
प्रोफेसर कृष्ण बिहारी पाण्डेय

संदेश

प्रिय छात्र-छात्राओं एवं अभिभावकों,

आपके हाथ में अपने विश्वविद्यालय की यह पुर्तिका देते हुए मुझे अपना हर्ष हो रहा है। मैं गंगा की गोद में बसे गॉवाँ-कोटवा, जमुनीपुर तथा दुबालव के बीच अवस्थित यह विश्वविद्यालय गॉव की संस्कृति के संरक्षण एवं संवर्धन का उद्देश्य लेकर कार्य कर रहा हूँ।

हम अपने छात्रों को येन-केन प्रकारप्रकार किसी ढिगी लेकर मोटी तनख्वाह वाली नौकरी हासिमें की सलाह नहीं देते अपितु सत्य और धर्म की राह पर चलकर, अपनी माटी से जुड़े रहकर अपने परिवार, अपने गॉव, अपने समाज और अपने राष्ट्र के लिए सर्वस्व अर्पण करने की शिक्षा देते हैं।

पढ़ाई और डिग्री उनके लिए संसाधन हैं, लक्ष्य नहीं। हम उन्हें अच्छे से अच्छा संसाधन मुहैया कराते हैं, अपना

दिनांक: 10 जनवरी, 2016
ABOUT THE Ph.D. PROGRAM

The major focus of research is to create new knowledge in the field of study. Research Scholars are motivated to take up challenging problems for research. The aim is to inculcate habit of enquiry among researchers and they are urged to take up research in both basic and applied areas of science, humanities and allied subjects. Keeping these objectives in view, Research Centre of Nehru Gram Bharati Vishwavidyalaya started functioning in January, 2010. The Centre is committed to fostering high quality and forefront areas of research problems. It is our earnest desire to promote research in diverse areas from humanities to science and technology with an aim to meet the challenges of national, regional and global importance. We are driven by the belief that research is a key component of university system and high quality research and education must be pursued with utmost sincerity. Motivated by these thoughts, a highly profession based and student-oriented research program has been devised for Ph.D. program in our Vishwavidyalaya.

WHO CAN APPLY

Applicant must have PG degree from a recognized University with bright academic record.

ADMISSION PROCEDURE

The aspirants are admitted for Ph.D. degree program through Combined Research Entrance Test (CRET) conducted by the Vishwavidyalaya each year as per the regulations of UGC, 2009. Admissions are granted strictly on the basis of merit followed by counselling to check their aptitude and motivation for research.

All the information about the Ph.D. program is available in Ph.D. Ordinance of the Vishwavidyalaya. For more details visit the University website: www.ngbu.edu.in

Note: There is no management quota.

FEE STRUCTURE

The mandatory Research Methodology Course work fee of Rs. 25,000/= and subsequently annual tuition fee of Rs. 30,000/= is applicable for all admitted students of Ph.D. program. The fee component is subject to change as per the Vishwavidyalaya norms. Academic session begins in July of each year.

GOVERNMENT FELLOWSHIPS

Scholarships are available from National funding Agencies in various categories. It is matter of pride that more than 120 Ph.D. students registered under Ph.D. program are availing fellowships from various Government funding agencies including Department of Atomic Energy, Govt. of India-BRNS, UGC, DST, Women Scientist Fellowships (WOS-DST), Rajiv Gandhi National Fellowship, Indian Council of Social Science Research (ICSSR) etc.

Special scholarships are available from UGC/DST for women candidate.

Present Status of PhD Programme

As of today 618 students are registered for PhD Degree of the University as per break up given below:

26 students have been awarded PhD degree so far. 2 Viva Voce 14-15 April 2015. 09 theses submitted by students are under process of evaluation.
SUBJECT

The present tentative available subjects for doctoral research (through CRET) are all subject covered in the following faculties of the Vishwvidyalaya.

- Faculty of Humanities
- Faculty of Social Science
- Faculty of Science
- Faculty of Commerce
- Faculty of Law
- Faculty of Management & Computer Application
- Faculty of Education
- Faculty of Engineering & Technology

SPECIAL FEATURES

A few important initiatives that are being introduced in the current academic session are as follows:

- "Yoga and Gram Pravas"
- "Healthy body comprises healthy-alert mind which is the pre-requisite for young researcher to understand the Research Pursuit; Yoga is soon to meet the objective."
- "Gram Pravas provides the opportunity to young researcher to understand the grass root level problems warranted to be answered."
- Research Scholars/JRF Meet (April/November)
- Seminar Series
- Language/Computer learning opportunities

RESEARCH AMENITIES

- A well-equipped Laboratory facility for Life Sciences
- Advanced Library facility
- Computer facility
- Wi-Fi enabled Internet facility

Pattern of CRET Entrance Examination as per NET examination
SUCCESSFUL EVENTS ORGANIZED BY RESEARCH CENTRE

INTERNATIONAL CONFERENCE, ICRCS-2012
An International Conference on Radiation, Cancer and Society (ICRCS-2012) was organized by the University during November 26-28, 2012 at VigyanParishad Auditorium, Allahabad. Scientists from USA, UK, Canada, Japan, South Korea participated in the conference including several renowned scientists/researchers from Universities/Institutes of India.

I) Research Scholar Meet
A regular feature has been to organize the research scholar meet every year where research scholars of the Vishwavidyalaya are encouraged to share and discuss their research findings and experience with each other. The brain storming session provides an opportunity to the scholars to share their new knowledge in presence of Experts and other scholars for the active discussion and valuable suggestions.

RESEARCH PUBLICATIONS

University Journal / Proceeding Book
Vishwavidyalaya has started a research journal named Journal of NehruGram Bharati Vishwavidyalaya (JNGBV) during International Conference on Radiation, Cancer & Society, Nov. 26-28, 2012. JNGBU is a multi-language, multi-disciplinary and refereed journal with value research papers from the diverse fields of science and humanities. The Journal was granted ISSN number 2319-9997.

Resource Person Profile Booklet
This booklet contains the brief resume and scientific contributions of the renowned educationists, academicians and scientists participating in our Research Methodology Course work for Ph.D. program as per the UGC regulation 2009.

Frontiers in Research
Current research, innovative scientific ideas and hypothesis is the theme of Frontiers in Research publication that was released during the RSM. The main objective of this volume is to provide latest research progress to scholars and other interested readers in the society.

Workshop on Research Methodology
Compilation of Research Publications
The book is compilation of the research publications of our Ph.D. students who have successfully completed their Pre-submission presentation.

Research Projects
The university has made significant progress in research in various fields in the past years. In recognition of scientific capabilities and available Expertise available, Vishwavidyalaya has been granted both national and international collaborative projects.

RESEARCH PROJECTS
Department of Atomic Energy-BRNS Funded project
1. "Monitoring of natural uranium and fallout levels of 137Cs, 238Pu and 3H in river water, sediments, fish samples and influence on biota of river Ganges from Gangotri to Allahabad" Project Ref. No.: 2010/36/70-BRNS

RESEARCH PROJECTS : UNDER SUBMISSION
DAE-BRNS Project
2. "Mapping of Uranium concentration in ground water of different districts of U.P."
DST-New Delhi, WOS-A Project

DST and DOT sponsored project
4. A project proposal on possible impacts of EMF radiation exposure from mobile towers and handsets on life, collaborative initiatives from SERB & DOT-New Delhi entitled "POTENTIAL CANCER RISK OF NON IONIZING RADIATION FROM MOBILE PHONE ON CHILDREN AND ADOLESCENCE: AN EPIDEMIOLOGICAL STUDY" is under process.

Allahabad" Project Ref. No.: 2010/36/70-BRNS

SOCIAL JUSTICE CELL
Social Justice cell keeping in view the incidents of the past and recent events of religious in-tolerance social injustice & discrimination of alarming dimensions from time to time, this cell has been established as a creative bid to promote social harmony in a beautiful manner of making efforts to create social consciousness and awareness among the students & people alike following different religions, ideologies, sects, creed and colour to sink their minor differences and learn to coexist together with societal commitment without any annoyance, discrimination & social injustice meted to others to fulfil one’s needs.

GS CASH (Cell)
Gender Sensitization Committee Against Sexual Harassment.
To promote women empowerment and to prevent harassment of female students and employees at work place.
A committee has been formed in the University consisting:
- Dr. Chhaya Malviya
- Smt. Kiran Singh
- Shri. Surender Kumar Yadav
- Dr. Vijaya Laxmi Saxena
- Smt. Khan Sameera

ANTI RAGGING CELL
NGBV has been taking very strong and effective measures against ragging. An Anti- Ragging Committee has been formed for Jamunipur, Hanumanganj, Jhuthi Tali, Civil Lines Campuses separately consisting of:

Jamunipur Campus:
- Dr. Dev Narayan Pathak
- Dr. Prabuddh Mishra
- Dr. Virendra Mani Tripathi
- Dr. Ramesh Chandra Misra
- Dr. Amit Kumar Srivastava
- Smt. Kiran Singh
- Km. Neha Mishra

Hanumanganj Campus:
- Dr. Himanshu Shukla

Jhuthi Tali Campus:
- Smt. Deepak Kumar Yadav

Civil Lines Campus:
NEHRU GRAM BHARATI VISHWAVIDYALAYA

Strive for the Excellence

"Taking into account the availability of space, faculties and other requisite infrastructure, the Committee strongly feels that this university has a lot of potential for further development".

(Recommendation from Expert Team of UGC, 2009)

The ISIS-INNOVATIONS (a fully owned subsidiary body of Oxford University, OXFORD, U.K) recommendations are enlisted below;

- NGBY’s achievements are many in a relatively shorter time frame.
- Vishwavidyalaya capability to position itself as a lead institute in Rural Higher Education.
- Vishwavidyalaya has enormous potential to be recognised as an Institution of National Significance.
- NGBY model can not only be replicated in India but in many other parts of the world.

INTERNATIONAL ACCOLADES

- The Vishwavidyalaya has been empanelled as the distinguished member of World University Consortium, NAPA, CA, USA.
- NGBY has been adjudged THE BEST REGIONAL VISHWAVIDYALAYA-2014 by the European Business Assembly and our Hon’ble Chancellor had been invited and awarded for philanthropic leadership at Oxford Summit of Leaders, Oct. 2014.
- Hon’ble Chancellor had been invited by the Sovereign Prince of Montenegro to receive Knighthood honor by his Excellency the Sovereign Prince.
- World Confederation of Business Houston Texas, USA has adjudged the Best Business Excellence Award held at Athens (Greece) (May 09, 2015)

INTERNATIONAL AND NATIONAL COLLABORATIONS

Vishwavidyalaya is actively involved in various collaborations with National and International Universities/Institutes in research field of mutual interests driven by societal concerns and helping underprivileged section of students.
